Subject: Hanil E Hwa - List of potential noncompliant items
Attachments: Hanil E Hwa Noncompliant Items.docx

Paula, attached is a list of the noncompliant items I noted during the CEI and the development of the trip report for Hanil E Hwa.

I would appreciate your review and input into these items before I finalize the list. If at all possible, please respond within 5 working days (April 18, 2016), so that I can begin drafting my enforcement recommendation.
